Championships  
12-17 September 2006  
Primorsko, Bulgaria**

## Venue

The Championships will be held in **Primorsko**, situated at Black Sea coast, 52 km south of Burgas. Primorsko is a relatively small town (population 3000), but one of well known Bulgarian sea resorts. Many factors make it a preferable destination for the summer vacation – ecologically pure region, 10-km-long beach, active nightlife.

## Transportation

Some of the teams travel, as tradition, by their own bus/cars. The rest may select their final destination amongst Burgas Railway Station, Burgas International Airport (70 km away from the venue), Varna International Airport (180 km away from the venue), or Sofia International Airport (410 km away from the venue). The organisers will provide transfers to the venue and back **upon request**. For details see below.

## Accommodation

The accommodation will be organised in a three-star hotel located only 50 m apart of the beach. Double rooms with WC, bath, and TV are provided.

**Accommodation prior and post Championships is also available upon request.**

## Weather

The weather in this period of the year is stable, usually sunny, with daily temperatures (both air and water) 22–23 degrees C, in other words – ideal for vacation and swimming.

## Terrains

The terrains are located within 60-km range. They are wooded, predominantly hilly, cut with deep gullies. The **maps** (IOF standard) will be reambulated in early 2006.

## Visa requirement

The citizens of majority countries expected to take part in the Championships **do not need visa** to enter Bulgaria. Those societies that need visa will be informed accordingly after receiving their Letter of Intent.
